(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply)

A Notice to File Missing Parts dated September 24, 2001 was received by Applicants' representatives (Messrs. Scully, Scott, Murphy and Presser). In accordance with instructions by the Assignee (International Business Machines Corporation), Messrs. Scully, Scott, Murphy and Presser forwarded the Notice to File Missing Parts to in-house counsel for assignee (Mr. Jay Anderson, Esq.) on October 2, 2001.

Upon information and belief, Applicants' in-house counsel prepared and forwarded a Response to the Notice to File Missing Parts to the US Patent and Trademark Office on November 7, 2001. The Response contained: a copy of the Notice to File Missing parts, a properly executed Declaration/Power of Attorney, a properly executed Assignment, PTO form 1595, PTO form 1533, two receipt acknowledgment postcards in addition to an authorization to charge any required fees to the Assignee's deposit account. In accordance with 37 C.F.R. 1.8, the Response was properly certified and deposited with the U.S. Postal Service as first class mail on November 7, 2001.

Upon information and belief, the US Patent and Trademark Office (PTO) duly received the Response to the Notice to File Missing Parts. This is evidenced by the Assignee's receipt of the acknowledgement postcard acknowledging the PTO's receipt of the executed Declaration and the Response to the Notice of Missing Parts and the receipt acknowledgement postcard acknowledging the receipt of an assignment. Copies of the postcards each indicating a stamped seal from the Office of Initial Patent Examination (OIPE) bearing a date of February 5, 2002 that were returned to the Assignee are submitted herein as Exhibit A.

Upon information and belief, Messrs. Scully, Scully, Scott, Murphy and Presser subsequently received a Notice of Abandonment dated December 17, 2003 indicating that the present application had been abandoned for failure to timely or properly reply to the Notice to File Missing Parts that was mailed on September 24, 2001.

Applicants respectfully submit that through no fault of their own, the duly filed Response to the Notice to File Missing Parts, although indicated as being received by the US Patent and Trademark Office, was not properly delivered to the Examiner's file, thus constituting an "unavoidable" delay. As mentioned above, included herewith, copies of all original documents as previously submitted in addition to the postcards bearing the OIPE seal are attached as evidence to refute the assertion that the Applicants did not respond to the Notice to File Missing Parts in a timely manner.

(continued)  
(Please attach additional sheets if additional space is necessary)

Therefore, in view of the above stated events, Applicants respectfully request that the Petition-to-Revive the present application be granted on the grounds of unavoidable delay due in no part to any actions of the Applicants.
